FOR SALE.

Five hundred acres of LAND, in the County of Alexandria, and five and a half miles from Alexandria and two from Georgetown, one moiety in Wood and part of that heavily timbered. It abounds in excellent water, and has an extensive view of the neighborhood—from its proximity to the City, Georgetown and Alexandria, with the additional convenience of an abundance of wood, few farms within the District claim a pre-eminence. Upon the first Monday in October, I shall attend on the premises for the purpose of disposing of it, if not sold previous to that time. Should it be more accommodating to those (who wish a country residence during the sickly months,) I will divide it into ten or twenty acre LOTS. Any person wishing to view the Land, by an application to **WILLIAM BELLUM**, who lives on it may be gratified. My remoteness and the frequent depredations on the Wood and Timber, are the principal inducements to sell it, not more than one-fifth of the purchase money will be required, and a credit from two to three years will be given for the residue, security by a mortgage, and a forfeiture of the advanced monies, with interest on the sum unpaid, if not punctually and fully discharged.
